

With Guest Card you can travel freely on trains and buses in Trentino thanks to the Open Move system

Just make sure to:

- Have a valid Trentino Guest Card
- Register on “My Trentino Guest Card”
- Access the “Travel with Open Move” system

### HOW TO USE OPEN MOVE:

Step 1) **Access your personal page** with a suitable reading app by pointing the camera at the QR code printed on the back of your Trentino Guest Card or, if you received the card by email, by clicking on the direct link

Step 2) **Register on “My Trentino Guest Card”** to activate the service (if you already have an account, just log in)

Step 3) Click on **Travel with Open Move**

Step 4) **Access Open Move**

- If you do not have an Open Move account, choose option B
- If you already have an Open Move account, choose option A and access your profile (go to the Credit section and link your card)

Step 5) **Choose the platform** to issue your tickets: webapp (*recommended*) or the Open Move app

Step 6) **Issue your tickets** on line – free of charge for the period and the number of people shown on the card – and choose the transport means (train, bus), the route and the number of people

Step 7) Once on board, **validate the ticket** that you will find in “My Tickets” as indicated (NB: you will need an internet connection)

Have a nice trip and happy holidays in Trentino!
